Month 2

Candy Key

4 weeks in a month
= \$83.50 a week

5 weeks in a month
= \$66.80 a week

1. Decide what months you will do this challenge.
2. Write the name of the month on the line above each jar.
3. Fill in the candies with how much per week you are saving based on the # of weeks in that month. If 4 weeks you have a bonus candy.
4. Each week save and color in your piece of candy.
